読みきり　レンジでチン！

One day, she appeared out of nowhere. In my bed.
Whoa, my hand goes right through!
She's a cute girl, years younger than me.
Her name is Alice Fujinomiya, and she's a ghost.

You're late.
Keep it together, Koji.
RICH, SNOBBY CLASSMATE:
REINA SUWAMI
Suwami, this is a bit too much..
Did I just hear you whine?
It's here in this love letter that you yourself wrote to me.
Look!
Like I said, that isn't what I meant..
It's written here that you want to be my pet.
ピラ!
Shut up! It's too late to take it back!
You're my pet, just obey everything I say!
Ah, there you are, Miyahara!

Emergency!
It's an emergency, Miyahara!
OCCULT CLUB MEMBER, SELF-PROCLAIMED GHOST HUNTER
MARCIA HASHIMOTO
There are strange sounds coming from the second years' female dressing room!
This is obviously a supernatural phenomenon! Time for some ghostbusting!
No, that's probably just a peeping tom's heavy breathing.
As a friend of the occult club, help me solve this case, Miyahara!
Sorry, I have bags to carry...
I'm so happy that you're coming along! That's why I love you!
ギュー
Gosh, I don't know what's so good about you, but it seems you're popular now, Koji.

I didn't expect to see you flirting with girls so early in the morning.
You left your lunch on the table so I came here to give it to you.
KOJI MIYAHARA'S YOUNGER SISTER: KANA MIYAHARA
Why?
Huh? The lunchbox is making weird sounds.
CLUNK CLUNK
Put more sincerity to your thanks next time.
O-Oh, thanks, Kana!
Koji.
Eww, what the hell is this?!
I am the charm that wards off evil spirits, HOLLY AND SARDINE!
I will repay you with my services! Call me whenever you have problems with evil spirits!
Thank you for the lunch!

THE STRONGEST APPARITION: HOLLY AND SARDINE

I Found you!
Hey, Kaji!
MYSTERIOUS GHOST GIRL:
ALICE FUJINOMIYA
Whoa, Kaji looks dead!
C'mere, c'mere!
Ahh, I can only feel at ease when I'm haunting you!
Who are these girls?
You're being too clingy, Alice!
Let go of him!
ん～？

Oh, just zip it, Black Alice! You're a spirit born from misreading!
Why are you even still around?!
Easy, let's all be friends here...
Why should we? Koji is ours, you know!
You're the one who should scram.
AARGH, I'M GOING TO BURN YOU ALL!
No, staahp!
Don't cause a ruckus in my club-room!
SECRET TECHNIQUE: HOLLY SARDINITY!!
Ouch, ouch! The fire's spreading...
That thing with a skull mark looks dangerous, and it's burning!
HOLLY AND SARDINE POWER!
This is my time to shine!

SHINGGG
BOOM
What the heck was that noise?
Was it the occult club again?!
WAH!
Red alert! Escape the premises!
Surprisingly, everyone looks uninjured.
How come your friends are so tough, Koji?
Who friggin' cares?! JUST RUN!
